Trattoria 360 Recognized for Being Named Among the Top 100 Restaurants in the Country by Yelp

On February 5, 2020, the City of Campbell recognized fine dining Italian restaurant Trattoria 360 for being named one of the top 100 restaurants in the country by restaurant review app Yelp as reported by [Forbes.com](https://www.forbes.com). This recognition from Yelp is based on review ratings and number of restaurant reviews across the country relative to each market's share of top-rated restaurants in 2019. Trattoria 360 was one of only two south bay restaurants to achieve this recognition. Mayor Susan M. Landry presented a proclamation on behalf of the City to business owners Giuseppe Spanu and Hangyu Gui during a recognition ceremony at their business located at 360 E. Campbell Ave. Trattoria 360 staff, City staff and Campbell Chamber of Commerce CEO Ken Johnson participated in the recognition event.

Mr. Spanu and Ms. Gui previously operated Pino's Trattoria at this location until its closure in January 2018 to begin seismic retrofitting work to meet state building standards for unreinforced masonry buildings. Although their business was closed for 18 months, they re-established last June as *Trattoria 360* following completion of retrofitting and façade improvements that reflect the historic

building's original appearance. Since re-opening last summer, Mr. Spanu and Ms. Gui launched a new traditional Italian dinner menu in a fine dining setting that has resulted in more than 100 five-star Yelp reviews.

Mayor Landry also commended Mr. Spanu and Ms. Gui for their investment in renovating their place of business and their commitment to remain in Campbell. Mr. Spanu and Ms. Gui have owned and operated restaurants in Campbell since 2003. To read more about Yelp's restaurant rankings, visit [Forbes.com](https://www.forbes.com).
